FINAL PLANS FOR CLUB'S NEW HOME NOW RATIFIED

Members Give Their Approval to Building Project; Play Is Complete Success

Ratification by the members of the Tuesday Afternoon Club of the action taken by the members of the building committee in accepting plans for a clubhouse to be erected at Lexington drive and Central avenue at an approximate cost of from \$50,000 to \$65,000, was given at the short business session of that organization at Masonic Temple yesterday afternoon preceding the program by the parliamentary law section.

In presenting the report of the building committee to the club members, Mrs. C. E. Hutchinson, president, stated:

"The members of the committee have worked long and faithfully and have gone into every detail possible. They have tried to apprehend the needs of the club for the next ten years and have tried to build accordingly. The meeting of the building committee in the morning was in order that completed plans might be presented to the club members and the motion was made at that time that the building committee recommend to the club the adoption of this plan."

The building will be of a modified Spanish type of architecture with tile roof, and will front on Central avenue. There will be a circular driveway from Central to Lexington drive, which will allow passengers to alight under the porte-cochere in rainy weather. The entrance to the auditorium will be from the Central avenue side, through the lobby and foyer, from which will also be the women's and men's dressing rooms, and from which will also be the stairway leading to the galleries.

Auditorium to Hold 800
The auditorium, with the galleries, will be of a two-story height, and will have a seating capacity of over 800, with sloping floor, and opera chairs. There will be a banquet room, which will be a little larger than the room used at present by the club in Masonic Temple, and into that will open a palm room, with glass roof, and also a tea room, which will make an entire seating capacity for banquets of about 500. There will be a very convenient kitchen adjacent to the banquet and tea rooms. This will be on the Lexington drive side, as will also the

George B. Thatcher Family Holds Reunion

Mr. and Mrs. George B. Thatcher, managers of the cafeteria of the Intermediate school, attended a happy family reunion Sunday at Sycamore Grove, the first one that they have held in California, but which has been an annual event in the Thatcher family for many years, and held heretofore at Warren, Indiana.

Among the forty guests were four sisters of Mr. Thatcher, Mrs. C. E. Ward of Humboldt, Iowa; Mrs. Reithman of Los Angeles; Mrs. Kate Reyden of Venice, and Mrs. R. E. Snade of Watts; one brother, W. S. Thatcher of Los Angeles. The guests of honor were Miss Ruth Roberts and Mrs. Irene McCloud, relatives of Mr. Thatcher's mother, of Warren, Indiana, who are visiting their relatives, and are so charmed with California that they are planning to remain permanently.

Mr. Thatcher's father crossed the plains and the Rocky mountains in a wagon drawn by oxen in the year of 1849, and returned east by water making the voyage "round the Horn." He came west the second time in 1884 and settled in southern California, where he spent the remaining years of his life.

New Ordinance on Business License to Be Discussed Tonight

A new business license ordinance for the city of Glendale will be discussed tonight at a special meeting of the city council.

The necessity of the municipality taking steps to secure additional revenue to pay the expenses of the city administration and the details connected with the extensive program of street improvement now under way is imperative, according to City manager W. H. Reeves. He called attention to the fact that committees of plumbers and electricians and real estate dealers have visited the city hall already to express their views on the subject.

Mr. Reeves intimated that nothing definite would be done tonight and suggested that the special session had been called in order that the ordinance when finally passed might be as fair and equitable to all businesses as possible.

H. A. Harrison, city controller, stated this morning that the city secured between \$6000 and \$7000 a year from the present license ordinance. He said that the amount secured this year so far amounted to \$4,854.90 and that another \$500 was expected.

The ordinance now in force was passed August 2, 1915.

Local Folk to Attend Pan American Meet

One of the outstanding events in Latin-American relationships for the year will be the Pan-American conference, to be held in conjunction with the inauguration of President R. B. Von Kleinsmid at the University of Southern California on April 27, 28 and 29.

The Glendale Chamber of Commerce directors yesterday named President C. M. Hollister, Richardson D. White, George T. Moyle, Dr. Jessie A. Russell, L. T. Rowley, William H. Reeves, Roy L. Kent, Jesse E. Smith, Owen C. Emery, E. U. Emery and Peter L. Perry as representatives and others who are interested will be placed on the accredited invitation list.

Besides the representatives of different countries, there will be 2000 members of university faculties, civic officials and others in attendance. The purpose is to secure an intensive knowledge of the Latin-American through the great southwest. International unity and good-will is the result predicted by H. J. Stonier, committee chairman.

Rev. and Mrs. Roundey at Calderwood Home

The Rev. and Mrs. Rodney Roundey of New York City were guests the first of the week at the home of Rev. and Mrs. C. M. Calderwood, 270 Salem street. The local pastor of the Congregational church motored to Riverside Monday, where he spent the afternoon with Rev. Roundey, who is attending a conference at the Sherman Indian Institute in his capacity of secretary for the interdenominational Home Missions Council.

The visitors left last night for Sacramento, where another Indian mission conference will be attended.

Mrs. Joe Griffin Is Head Magnolia P.-T. A.

At a recent meeting of the Magnolia Avenue Parent-Teacher association, which was held at the school, the resignation of Mrs. Fred Spear, who is moving to Banning, as president, was accepted, and Mrs. Joe Griffin was elected to take her place. This association is the "baby" organization of the Glendale P.-T. A. federation, but is up and doing things. A new victrola has just been installed in the school.

FAREWELL TO REV. HUNTER

The fourth and last lecture on "Divine Healing" will be delivered tonight at the Presbyterian church by Rev. W. E. Edmonds. CHURCHES JOIN FOR 487 REAL ESTATE HOME VISITATION DAY, MARCH 31

Meeting of Committee to Be Held Friday Afternoon to Plan for Big Event

Many leaders in the educational, social, commercial, industrial and civic life of Glendale have joined with the religious forces in the general betterment movement which will be known as the Home Visitation plan, and Friday afternoon, March 31, has been set aside as Glendale Home Visitation day, in which movement all religious faiths and denominations, Protestants, Catholics and Jews in Glendale are co-operating, it is announced.

C. W. Ingledue is general chairman of the Glendale committee. The purpose of the work is to visit every home, leave printed invitations to the people to attend the Sunday school and church of their choice or synagogue, and to secure records of the church connection or preference of every individual, which will be given to the pastor, priest, rabbi or minister as preferred.

This general betterment movement has added many hundreds of new members to the Sunday schools and churches, and synagogues, and brought a fine spirit of cooperation among all religious, social, educational, commercial, industrial and civic forces everywhere it has been observed, it is declared. Those in charge of the plan state that this is true in all cities where the work has been observed.

To Aid In Work Here
The leaders in Glendale have secured J. Shreve Durham of Chicago, International Superintendent of Home Visitation for the International Sunday School association, to assist in the direction of the work in Glendale.

The plan is promoted by the Los Angeles county, Southern California State and International Sunday School association and is under the auspices of the Glendale Ministerial Association, Catholic clergy and Jewish leaders, with representatives of a number of the various organizations or clubs.

A meeting of the committee will be held in the Glendale Chamber of Commerce rooms, on the second floor of the Citizens building, 150 South Brand boulevard, Friday afternoon, March 24, at 4 o'clock, at which time Mr. Durham will present the plan.

Volunteers to Be Sought
On Sunday, March 26, volunteers will be called for in all of the churches and Sunday schools. The people will be asked to give three hours to the work, one hour in which to receive instructions regarding the work and two hours on Friday afternoon, March 31, to visit the homes.

The local leaders state that it is anticipated that the work will do a great good in Glendale, since this city has increased in population more rapidly than any other in the United States, and will do much in bringing all of the new people and the church of their choice in touch with one another.

Mrs. Daniel Campbell Hears Hoover's Talk

Mrs. Daniel Campbell of North Highland avenue was fortunate in hearing the speech made yesterday afternoon by Herbert Hoover to a percentage of the members from the Friday Morning club, Ebell club, Republican Study and Women's City clubs and the League of Women Voters at the Friday Morning Club house, her name having been one of those drawn from the membership of the Friday Morning club to attend this lecture. His talk covered the topics of world problems, disarmament, unemployment, economic failure, the Colorado river project and the collapse of governments. The meeting was in charge of Mrs. Robert J. Burdette.

As to the conditions in Russia and how that country formerly was the reserve field for food supply of the world and under socialistic rule and the soviet was brought to a condition of starvation, Mr. Hoover stated that "socialism causes starvation, republicanism creates beneficence." The rule, raised a surplus of foodstuffs and was able to put at the ports of Russia enough to feed her whole population could she have transported it.

E. F. Sanders Guest at Hoover Luncheon

E. F. Sanders, assistant secretary of the Glendale Chamber of Commerce, attended the Los Angeles Chamber of Commerce luncheon yesterday afternoon at the Alexandria hotel at which time Herbert Hoover, secretary of commerce, declared that agriculture should have the first rights to the water of the Colorado river, with power as a by-product.

Already Mr. Hoover is an enthusiastic booster for Los Angeles, and California, being a resident of Palo Alto, but he took occasion to laud the city on its remarkable growth, according to Mr. Sanders. The development of the southwest has but begun, the latter says, in speaking of the visit of the outstanding cabinet member.

Realtors Doing Their Part in Building Glendale; Many Bargains in Property

By GIL A. COWAN
This being "Own Your Own Home Week" everybody is looking at real estate.

There are 487 real estate brokers and salesmen in Glendale to assist you.

This is the information of local interest contained in the semi-annual bulletin which is issued by Edwin T. Keiser, state real estate commissioner.

These bulletins contain the name and address of all licensed operators in the state of California, listed by cities. Glendale ranks eighth, behind only Los Angeles, San Francisco, Oakland, San Diego, Long Beach, Pasadena and Fresno.

Glendale Leads, of Course
In point of population Glendale probably leads all with its 487 for 25,000 population. Pasadena only has about 600, while Long Beach has upwards of 1000, roughly estimated.

Of course, Los Angeles leads in numbers with a real estate salesman on every corner. But it is more closely settled and that accounts for Glendale holding the highest average.

According to one realtor, who was apprised of the large number of licensed dealers and representatives, fully 50 per cent of those listed are inactive and simply carry the papers necessary to complete deals for themselves. Again, many of the most active dealers have their offices in Los Angeles, but reside in the city of homes.

Real Estate Is Active

The number of realtors is proportionate to the building record of the city and it is taken for granted that they have much to do with the progress and prosperity of any community. As the realtor remarked, "You wouldn't find them listed unless there was something doing."

Real estate is exceedingly active in southern California and in Glendale in particular. Some of the choicest foothill property, which was considered inaccessible twelve to fifteen years ago, has been brought into development by boulevards and motor cars. Then, too, close in, desirable, vacant property is not to be had at prices befitting modest homes with the result that the thousands of newcomers are finding it to their advantage to buy a little farther out.

Chance for Big Bargains
Just as Gardner Junction ten years ago was on the outskirts of Hollywood, similar sections of Glendale today are being marketed today at ridiculously low prices, although there are many residential sites nearer to town which are held by speculators or those contemplating building.

It is through the efforts, the courtesy, the advertising and the optimism of the 487 realtors that Glendale has assimilated its 100 per cent increase in population during the last two years. They have provided them with temporary homes, sold them lots, stimulated building, supported their "home town" newspaper and done credit to the community.

Mrs. Charles Carroll Hostess at Luncheon

Mrs. Charles Carroll of 320 West Burchett street entertained at a very delightful luncheon and card party yesterday afternoon the members of the Wednesday Afternoon Bridge club. The table and rooms were most artistically decorated with pink peach blossoms. Those present included Mrs. George Robinson, Mrs. Frank Wallace, Mrs. Claude Putnam, Mrs. Wallace Walker, Mrs. Robert Pease of Los Angeles, Miss Elma Mease, Mrs. Bess Snyder, Mrs. Charles Meadows, and the hostess, Mrs. Carroll. High score was made by Mrs. George Robinson.

ALEX M'DOUGAL SURPRISED

Alex McDougal of 128 West Elk avenue, who is convalescing from a prolonged attack of the "flu," was pleasantly surprised last night by a group of his classmates from high school, who arrived to spend a social hour with him. They brought a freezer of home-made fruit ice, which was greatly enjoyed, served with waters and a plate of warm fudge, which Mrs. McDougal was adept in making. The boys were Arthur Barton, Clifford Walcott, Dallas Kalbaugh, Robert Hatch, Douglas Gregg. They were accompanied by their former teacher, Miss Gladys Sharpe.

F. M. M'DONNELLS HOSTS

Mr. and Mrs. F. M. McDonnell of 230 Dayton court entertained a party of friends Sunday at the Twilight Recital given for the benefit of the Holy Family church. After the concert the members of the party were dinner guests of Mr. and Mrs. McDonnell. Those present included Mr. and Mrs. W. F. Heinan, Mr. and Mrs. E. J. Gathright of Los Angeles, Mr. and Mrs. H. W. Dionysius and Billy and Ruth Dionysius of 221 West Dryden street and the host and hostess, Mrs. McDonnell was a member of the chorus giving "Gallia."

Just Mention Speed to Captain Rockwell, Then Speed Yourself

Captain Jack Rockwell of the Glendale fire department believes that speed is as essential at Station No. 1 as ability to boil spuds or repair a motor car.

Monday morning he was "fixing at" a machine in the municipal garage at the rear of the station. The telephone bell rang. His mind was on the potatoes over the fire as he dashed madly toward the telephone booth.

He almost got there when zzzzzz, zap, klunk, clunk. He saw shooting stars and skyrockets in the same instant. Then the curtain dropped and fairies danced. Sweet music and idle thoughts mingled with other sensations of insensibility.

Seems that the rubber heels and shiny soles of his shoes were saturated with lubricating oil. He had skidded and met up with the telephone booth door and cement floor most unexpectedly. Captain Ralph Dodsforth answered the phone while kind hands carried the injured man to the surgeon.

Two stitches were taken in the severe cut under Rockwell's right eye. Two x-ray pictures were made of his sprained left arm to determine if it was broken.

Two abrasions on the chin were salvaged. Two contusions on the forehead were treated.

Outside of that he wasn't injured much.

Mr. and Mrs. W. Eckles Hosts at Card Party

Evans, Mr. and Mrs. Fred Doeblich, Mr. and Mrs. Jacob Hartman, Mr. and Mrs. George Hyne, Mr. and Mrs. William Siebert, Howard Richter and the host and hostess, Mr. and Mrs. Eckles. High score was made by Mr. and Mrs. George Hyne. Consolation prize was awarded to Mrs. Doeblich. After cards a delicious lunch was served.

\$600,000 IN BONDS FOR HIGH SCHOOL TO BE REQUIRED

Citizens in Session Last Night Favor Calling Election to Let Voters Decide

The calling of an election to vote bonds for the erection of a \$600,000 high school plant, to accommodate 2,000 pupils, on the recently acquired site at Broadway and Verdugo road was authorized last night in the high school auditorium at a public meeting.

The motion to this effect was made by City Treasurer J. C. Sherer of 717 South Verdugo road. It was seconded by Rev. A. B. Smart of 110 Olive street and, after some discussion, carried unanimously.

An amendment to submit the purchase of a west side site to the voters at the same time was introduced by Alex Mitchell of 2001 Kenneth road and seconded by John R. Grey of 667 West Doran street.

This amendment was ruled out of order by Dr. Jessie Russell of 208 South Brand boulevard, chairman of the meeting, who interpreted the official "call" of the meeting to mean that the only matter to be discussed was the voting of bonds for the construction of an educational plant upon the site recently acquired by the high school district.

Dr. Russell made it plain, however, that she saw no reason why the purchase of a west side site should not be considered at some later time.

School Is Over-crowded
"The high school now is very much overcrowded," stated Principal Geo. U. Moyle at the commencement of the meeting. "The situation is only a continuation of the situation which has been reported from time to time. There has been throughout the year, taking it month by month in comparison with last year, 40 per cent more in attendance. Last year there were 1063 enrolled. This year there are 1372 in classes up to the present time. So you will notice that there is a gain of over 300 students."

"There will be at least 350 more pupils to be accommodated next fall and where we shall put them is a problem which we have not up to the present time settled. If I should show you a chart showing the class rooms, you would see that they are all occupied during the day. Next fall we will have to accommodate more students in rooms which are filled at the present time."

Publicity Is Needed
The importance of getting the matter before the public as quickly as possible in order that the new plant may be ready for service at the earliest possible moment was emphasized by Mr. Moyle. He asserted his opinion that it would be impossible to occupy a new high school plant much before February, 1924. He believes that it will be about five months from the present time until funds from a bond issue could possibly be

Mrs. W. W. Worley Is Hostess Behalf Chapter

The members of Chapter A.H.P. E. O. were luncheon guests yesterday afternoon at the home of Mrs. W. W. Worley, 341 North Jackson street, who was assisted as hostess by Mrs. Lucille Eames, Mrs. Katherine Stephenson, Mrs. Dorothy Smith, Miss Lucile Thelen, and Mrs. Grace Simon. A most interesting program on colonial architecture, furniture and porcelains was given by Mrs. Abbie Barker, who had an exhibit of Colonial articles which had been collected by her and which date back from 1748 to 1850.

The short business session of the chapter was in charge of Mrs. E. T. Van Etten, in the absence of the president, Miss Blanche Davenport, who has been quite ill. At that time Mrs. W. W. Worley and Mrs. Sala Logan were chosen as delegates to attend the P. E. O. convention to be held at Hotel Raymond, Pasadena, April 11, 12 and 13. Guests of the chapter at yesterday's meeting included Mrs. Lee Bancroft, a former resident of Glendale, and also Mrs. Dan Campbell, Mrs. A. W. Tower and Mrs. Seymour Smith of Chapter L.

Mrs. Stella Goodman Surprised by Visitors

Mrs. Stella Goodman of 645 North Central avenue was very pleasantly surprised Sunday by a visit from Mr. and Mrs. William Baglin and Mr. and Mrs. Charles Lewis of Los Angeles.

A few years ago Mr. Baglin and Mr. Lewis were guests in Mrs. Goodman's hotel in Los Angeles for a period of three consecutive years. During that time they were connected with the Llewellyn Iron Works. They entered the service and were sent overseas and upon their return remained in the east at their former homes, Mr. Baglin in Indiana and Mr. Lewis in Ohio. They have both married recently, and now plan to make their homes near each other in California.

Mrs. Goodman's suggestion that they make their homes in Glendale met with so much encouragement that she feels almost assured that they will soon be citizens of this city.

REV. GOODSSELL HONORED

"Eighty consecutive years of Sunday school life" is the unique record of Rev. Henry Goodsell of 125 West Palmer avenue, who was recently presented with a gold medal as a reward for his faithful attendance. The medal was a gift of his fellow members and admirers of the Central Avenue Methodist Episcopal church Sunday school, where he has been a member for more than ten years. Rev. Goodsell recently passed his eighty-fourth birthday.

How to Really Save

On Cost of Painting

FIRST, find out what good paint is, for that is where you start to save on paint. We spend more to make paint for your economy as follows:

We use only the best materials in Fuller's Specification House Paints—PIONEER WHITE LEAD, pure linseed oil, zinc and finest colors.

We super-purify the lead in a special purifier. Then we make the lead so fine that it will pass through a silk screen with 40,000 meshes to the square inch.

The "whiter" lead means clearer-toned colors. The extreme fineness means better mixing quality, greater covering capacity, more ease in spreading—a paint that's always uniform and smooth.

Such paints when applied form a beautiful elastic, tough, protective coat that stays. They are known as "Fuller's Specification House Paints."

Where "Cheap" Paints Fail

Don't Figure Paint Economy as "Cost per Gallon."

"Cheap" paints can't compete with good paints in economy. "Cheap" paint covers less—you buy more gallons. It is harder to spread, requires more work—so you pay more labor cost. Your "saving" in less cost per gallon is very quickly eaten up.

Cheap paint starts to crack in twelve months. Good paint remains good five or more years. It is really the cheap paint that is expensive. Don't allow surfaces to rot—it costs less to paint them.

There is no real cost in painting with the best paint. Depreciation of an unpainted building far exceeds the cost of paint.

Free Advice on Painting

ASK our agent for our free advice. He will show you a color card which shows 32 shades of this desirable paint.

We have a Fuller Specification Department which will tell you all about the most desirable color schemes, color harmony and those other details you want to know.

Take advantage of Fuller House Paints. Take steps to paint now. Don't let weather depreciate your investment.

available and that the construction would require at least a year.

"Something must be done to get these buildings started just as quickly as possible," declared Mr. Moyse.

The meeting was attended by George M. Lindsey of 719 East Broadway and John C. Austin of Los Angeles, joint architects of the high school board. Under their direction a large colored perspective of a tentative high school plant has been prepared and was on exhibition upon the stage.

"When I was called before the board of trustees to discuss the question of building a high school plant," stated Mr. Austin, "the first question I asked was what is the ultimate size of your high school, what school size to which your high school will ultimately grow before you decide to build another high school? It was thought that 3000 students were the greatest number which could be accommodated at one time. The next question was, how many do you wish to accommodate at this time? The answer was 2000."

Plans Are Gone Over

Mr. Austin and Mr. Lindsey, therefore, went over plans and found that Los Angeles High school came the nearest to fitting the bill for the requirements of the Glendale plant. He said that this had been built for \$700,000, but probably could not be duplicated at the present time, on account of higher prices, for less than a million dollars. However, he is of the opinion that the school plant contains many costly and unnecessary architectural embellishments which could be eliminated in the construction of a similar plant for Glendale.

Mr. Austin stated his belief positively that it would not be possible to construct a creditable high school plant to accommodate 2000 pupils for less than \$600,000.

Seeks West Side Site

"When we had this matter under discussion several months ago," remarked Alex. Mitchell, "it was clearly understood that we could have a high school site on the west side. The site there, which was then under consideration, has now been subdivided and is out of the question. There is now only one tract of twenty acres available on the whole west side. This is the Garden tract on Sixth street just west of Pacific avenue."

"It seems that just when things are going along nicely, somebody throws in a monkey wrench," declared O. G. Thompson of 719 East Colorado street. He incidentally stated that he had several children approaching high school age. He said that he had no doubt that the funds for the purchase of a west side site could be secured without difficulty later and that the principal thing at present seemed to be to concentrate upon one new high school plant.

Suggests Investigation

As a business proposition, W. B. Kelly moved that the high school board of trustees should investigate the purchase of a west side site before all available tracts are subdivided and before real estate prices have become excessive.

"I second that motion," announced C. W. Young. "And I am from Eagle Rock, too!"

The motion prevailed. Several questions in connection with the plan for the erection of the new high school plant were raised by William Griffin of 806 South San Fernando Road.

Following a suggestion by Rev. A. B. Smart that a committee should be appointed to confer on methods of accommodating the additional students next fall, which was not acted upon, the meeting adjourned at 9:35 o'clock.

The daily number of motor accidents in Paris is approximately 100.

Save the Toe

but Kill the Corn

A good toe is a good friend capable of a whole lot of service and it might be less painful to remove the corn than to remove the toe with the corn. Use OUR CORN COLLODE, which, with a very few applications, takes out the pain and in three days or so allows you to pick out the corn itself. The trouble soon ends when the corn is gone and certainly this corn remedy will remove the corn if anything else in the world will. No, it will not harm the toe.

What Half a Million Women Are Saying

A corset that is so popular that half a million women speak its praises must be an unusual corset. Modart is the corset they are all talking about today. Why? There is a reason.

One woman will tell you she prefers Modart because it is the most stylish corset she can buy. Another says her Modart is so comfortable she forgets she is wearing a corset. Another likes the Modart because it is so much lighter than other corsets. But there is a far more important reason why the Modart Corset appeals to the best-dressed women.

MODART CORSETS

Front Laced

The Modart combines every fine quality you desire in a corset. Nothing is lacking. Modart Corsets are the result of the broadest experience in designing high-grade front-laced corsets exclusively, and an adherence to quality ideals that has never swerved from its original purpose—to make the best corset.

To really know the Modart, you must have one fitted. Then, and only then, can you begin to appreciate why women who wear Modarts are so enthusiastic about this corset.

Let one of our expert corsetieres fit you. She will select the proper Modart model that expresses your individuality. See the Modart on your figure—before you purchase. There is no better way to judge a corset.

Come in now and see the new "phantom" models. These Modarts are the season's style sensation. You will want one of them.

TRIO OF PROGRAMS TO BE FEATURED LAST OF WEEK

Federation Night Is Thursday,
Cadman Trio on Friday,
Tests Come Saturday

The aims of the California Federa-
tion of Music Clubs, which includes
making America the Music Center of
the World, and the furthering of
American composers and composi-
tions, are being incorporated in the
celebration of Los Angeles County
Music Federation Week, especially by
the city of Glendale.

Three big programs are planned
here for the latter part of the week.
These are the "Federation Night"
concert of the Glendale Music Club,
which will take place at the high
school Thursday night at 8 o'clock
and to which the public has been in-
vited, the melodrama of "Hiawatha,"
to be presented by the Cadman trio
under the auspices of the Business
and Professional Women's club at
the Chamber of Commerce Friday
night, and the final try-outs of the
music memory contest to take place
Saturday morning at 10 o'clock at
the T. D. & L. theatre.

"Federation Night" Program
The program for the "Federation
Night" concert of the Glendale Mu-
sic club at the high school Thursday
night includes the following num-
bers:

the Glendale High School orchestra,
Mrs. Dora Gibson, director.

II. Piano solo, "Humoresque"
(Dvorak), by Betty Hagood of the
Juvenile Auxiliary of the Glendale
Music club.

III. (a) "June Rhapsody" (Mabel
Davis); (b) "The Rosary" (Nevin),
by Glendale High School Girls' Glee
club, Earl Meeker, director.

(MacDowell), by Winifred Parker,
member of the Junior auxiliary.

the Glendale Music club.

Parker, director.

Concert Open to Public
This concert is open to the public
and is given by the federated musical
organizations of Glendale under the
direction of the Glendale Music club,
of which Mrs. Mattison B. Jones is
president.

The great American movement in-
augurated by the club women of
America following the World War
had its inspiration in loftiest patriot-
ism and so appeals to every patriotic
American, and Los Angeles County
Federation Music Week will empha-
size this worthy object, and all over
the southland great interest is being
manifested in this feature. Ameri-
can talent, American music and
American themes will be the out-
standing feature.

The people of Glendale, the com-
mittee declares, are very fortunate
in this regard in having with them
the Cadman trio, presenting an all-
American program, the melodrama
"Hiawatha," Longfellow's master-
piece, which portrays the noble qual-
ities of the first Americans.

The musical setting for the poem
was arranged by Saidee K. Coe, an
eastern composer, while the Indian
tribal melodies that intersperse the
program have been harmonized by
Charles Waketield Cadman, a Califor-
nia composer.

This all-American program by the
Cadman trio, composed of Miss Alma
Geiger of Glendale, pianist; Con-
stance Balfour, soloist, and Mrs. W.
R. Garrett, dramatic reader, will be
given in Indian costume and appro-
priate stage settings at the Chamber
of Commerce auditorium Friday
night, March 24, under the auspices
of the Business and Professional Wo-
men's club. Part of the Indian col-
lection is on display at the Glendale
Paint & Paper company.

Deaths and Funerals

JOSEPH S. HENDERSON

Joseph Stern Henderson passed
away at 4 o'clock yesterday after-
noon, Tuesday, March 21, 1922.
Mr. Henderson was born October
31, 1878, at Glasgow, Missouri, and
was over 43 years of age. He is sur-
vived by his wife, Mrs. Mary Hender-
son, and 5-months-old daughter,
Elizabeth, who have resided in Glen-
dale for the past four or five months
and in California for the past four
years. He is survived also by his
mother, Mrs. J. S. Henderson of
Glasgow, Missouri, and six brothers
and one sister in the Middle West.
Interment will be at Elko, Nevada.
Funeral services will be held late to-
morrow afternoon at the chapel of
Pulliam & Kiefer.

ALMA ELIZABETH ENGLE

Alma Elizabeth Engle, daughter
of Mrs. Cora B. Engle of 814 East
Harvard street, passed away yester-
day morning, Tuesday, March 21,
1922, at her home at the age of 17
years. She was a junior in high
school and had many friends in this
city. Miss Engle had been ill only
five days, having contracted a se-
vere cold during the rainy weather
the latter part of last week. The
cold later developed into pneumonia.
Her father, J. A. Engle, passed away
about Christmas time.

Miss Engle is survived by her
mother, Mrs. Cora B. Engle, three
sisters and three brothers, Miss Helen
Engle, Mrs. Vivian Engle Scates, Mrs.
Luetta Engle Fairchild, Carl Engle,
Ray Engle and Harold Engle.
Funeral services will be held tomor-
row afternoon, Thursday, March 23,
1922, at the parlors of L. G. Seavern
undertaking company, with interment
at Rosedale cemetery. Rev. W.
E. Edmonds will officiate.

Miss Engle had resided in Glen-
dale all of her life. Besides her
school work she was an assistant at
the public library on Harvard street,
of which Mrs. J. C. Danford is
librarian, and was also employed as
an usher at the Glendale theatre.

MRS. MABEL CRAIG

The following tribute to Mrs.
Mabel Craig, whose funeral was held
yesterday, is submitted by Joe V.
Griffin:

In the golden sunshine of a perfect
springtime day, sunshine that bathed
the earth in radiant splendor and
seemed to carry a message of peace
and comfort to the sorrowful heart,
the remains of Mabel Craig were laid
reverently away in their final resting
place at Forest Lawn Memorial park
yesterday. At the sun-flecked grave-
side a wealth of flowers, choicest
blossoms of the land she loved, bore
silent but eloquent tribute from
friends and neighbors to the sterling
young woman whose untimely passing
has filled their hearts to over-
flowing with the pangs of sorrow.

From the opening strains of "Face
to Face" beautifully rendered by Mrs.
Fannie Marple Retts, at the services
at the Jewel City mortuary, through
the well-chosen remarks of Rev. Ed-
monds, to the closing rites at the
grave, the entire ceremony was
marked by impressive simplicity and
seemed to breathe the spirit of the
departed.

A score and a half of years would
more than cover her time on earth,
yet in that brief period she builded
better than she knew. As a girl she
was a well-known and popular stu-
dent at the Glendale Union High
school. As a young lady her gracious
charm and ready wit secured for her
a prominent place in the hearts of
friends and admirers. With her mar-
riage in 1913 to Frank Glen Craig she
embarked upon a happy and fruitful
married life, a typical American girl
—a typical American wife—a typical
American mother. Twice she stepped
down into the valley of the shadow
and emerged therefrom the proud
possessor of God's greatest gift and,
too, possessed of all the qualities that
go into the making of that wondrous
creature, the American mother. Not-
withstanding the duties of wife and
mother, she yet found time to aid in
the advancement of her community
and the betterment of mankind.
Early in life, in emulation of her no-
ble mother, since gone to her reward,
she became a member of the Wo-
man's Relief corps and took a deep
interest in the patriotic work of that
body. Removing to Exeter in 1919
she affiliated herself with the Exeter
Woman's club, the Whist club and
the Five Hundred club of that city.

The wife of an ex-service man, it
was but natural that she should ex-
hibit a deep interest in her country's
defenders. Eloquent testimony of
the esteem in which she was held in
the northern city was evidenced by
the floral tributes from Exeter Post
94 American Legion, the Exeter Elks
and the Visalia Elks' lodge.

If any one trait could be singled
out as dominant in her life it was
that of cheerfulness. Her ready
smile and nimble wit were ever pres-
ent as were the inherent qualities of
wife and mother handed down from
her most capable mother whose de-
mise but a few years ago was such a
shock to this community.

A legion of friends are today
mourning the loss of this fine char-
acter and their sympathies are cen-
tered on the husband, Frank Glen
Craig, and the two darling children,
Mary Pauline, not yet 8 years of age,
and Glen Junior (Buddy), the sturdy
little 2-year-old boy, the last to bless
her short life. Beside her immediate
household, Mrs. Craig leaves to
mourn her passing, William A.
Hough her father, Mrs. Lou Coole
her sister and the latter's husband,
Lou Coole, also an aunt and uncle.
Mr. and Mrs. Richard Todd of Glen-
dale and other relatives in Los An-
geles. She was borne to her last earth-
ly abode by a group of old-time
friends, George Hastings, Wayne
Smith, Ralph Swaim, Raymond
Swaim, Noble Ripley and Wiley Cole.
The last sad rites are over—the
last words have been spoken and the
journey of Mabel Craig has ended
where it had its beginning—at the
side of her mother.

JOE V. GRIFFIN.

9 A. M. and a week's washing out of the way

The old-fashioned housekeeper who had her
washing on the line by 9 a. m. was a miracle in
her neighborhood.

But today hundreds of women—in this city—
have a whole week's washing entirely out of the way
by 9 o'clock.

They simply gather up everything that needs
washing and turn it over to our representative.
Promptly, their clothes come back, beautifully
clean and fresh—finished just as they like.

Try this better way—you'll find it a big relief
to have no wash woman to pick up after; no
worry.

Another NASH

SATISFIED OWNERS

When you see the slogan "Another
NASH" on the tire cover of a car out
on the highway, it means that the driver of
that car is another satisfied owner. It
simply calls attention to the fact that
there is one more of the great "family"
of Nash owners in Southern California
that now numbers well over the four
thousand mark.

Sideshow Isn't Circus
Have You Radiophone?
'Buy It In Glendale'
America for Americans!
By Gil A. Cowan

PUBLICITY! What an important thing in our political, civic and commercial life today. Few people realize, until they come face to face with conditions, what proper publicity means. As a result there has arisen from the ranks of newspaperdom the publicity agent, who is more or less a necessary pest, depending upon the worthiness of the cause. Without publicity any movement, requiring united action for its success, may die an early death. Partial publicity is worse than none at all. It engenders suspicion of politics and usually that suspicion is well founded on fact. If you advertise a great sale and then whitewash the windows so the public cannot see what is offered, it is only natural to suspect that otherwise ready buyers will halt at the doors and go elsewhere. Further than that, no person or persons, irrespective of their petty positions, can overlook dominant factors in winning favor. The sideshow never is the circus—even a small boy appreciates that truism.

Have you a little wireless in your home? If you haven't, there is every probability you will have in the next year or so. With concerts, news bulletins, speeches and what not (including Catalina conversations) at your command, there is reason why the makers of radio equipment are far behind with orders. Two score and four or five years ago people first heard the phonograph over the telephone. Today the wires will transmit music, or anything else, including pictures. And now the ethereal waves are carrying the messages, and the music in a much improved manner. The day is coming soon when play in New York will be presented on the Pacific coast by wireless phonography and wireless photography. Oh yes, you can buy the devices necessary for that which can be enjoyed today from \$15 to \$15,000. They tell me \$100 will go a long way, or rather bring a long way away a lot closer to you, if wisely invested in receiving apparatus.

Your attention is called to the industries advertising in The Glendale Evening News today. More than a half page is devoted to their campaign, "Buy Made in Glendale Products." There are so many things which are not made in Glendale that certainly one can afford to keep as many dollars at home as possible. Your "home town" deserves first consideration. "Buy it in Glendale" is a slogan suggested for the merchants.

Some day in the dim, distant future there will be a battle for supremacy in trade and everything else between Los Angeles on the Pacific and New York on the Atlantic. True, when Los Angeles crows now about its shipping it sounds like a banty rooster, but— That pioneer spirit, which made New York, has been lost in the tide of foreign, money-mad immigrants who have usurped the roles in the metropolitan drama. Here the last stand must be made by Americans, just as today the westerners stand before the nation in the newspapers and the senate with the clarion call of "America for Americans."

Business-Getting Power of the Evening News

Exclusively a Glendale Paper
The Glendale Evening News is printed and circulated on its own merits. It has stood alone as a local daily newspaper for nine years and is showing a steady growth, both in circulation and advertising patronage. Advertisers value it because it is not a supplement or insert to any other paper and because it is exclusively a Glendale paper.

Best Publicity Medium In Glendale
The business organization of The Evening News is first, last and all the time a Glendale institution, and as such guarantees advertisers the best publicity medium available in the Glendale territory.

3,000 Paid-in-Advance Subscribers
Its circulation of 3,000 represents paid-in-advance subscribers who voluntarily order the paper because of its merits, and not on account of procuring an outside publication of which the local paper is merely a supplement to an organ, whose camouflaged purposes, when carried out, will be destructive to the best interests of Glendale merchants.

Our circulation books are open to your inspection. Our merchandising service is at your command.

FINAL PLANS FOR CLUB'S NEW HOME NOW RATIFIED

Members Give Their Approval to Building Project; Play Is Complete Success

(Continued from Page 1)
cloak rooms, caretaker's apartment, reception room and other small rooms. On the Central avenue side there will also be a large lounge room. With the exception of a sixty foot lot on Lexington drive and the twenty-five and thirty foot building line restrictions on Central avenue and Lexington drive, the building will cover practically the entire ground at that corner. Continuing the discussion of the plans for the new clubhouse, Mrs. Hutchinson stated: "The plans have met with the approval of the financial men of Glendale to the extent that they are willing to finance it. At the present rate of development detailed plans will be drawn and bids received and it will probably be two months before the actual structure will begin, but it is hoped that the corner stone will be laid before the club adjourns for the summer."

A motion carried at yesterday's meeting of the Tuesday Afternoon Club that the plans be adopted. Mrs. W. L. Andrews, general curator, announced the following section meetings: Arts and crafts, at the library Thursday at 10 o'clock, at which time the study of china painting will be taken up; literary section, next Monday at the home of Mrs. G. H. Rouse, 215 South Orange street; music section, Friday at the home of Mrs. Helen Campbell.

Section Presents Playlet
Mrs. Hutchinson then turned the program over to the members of the parliamentary law section, of which Mrs. Harry Greenwalt is curator, who presented a very clever skit, "The Women of Dolegion Organize," which was written by Miss Eva Daniels. This skit was a very interesting farce depicting the organization of a women's club, and through its election of officers, making of motions, adoption of resolutions, forming of sections, etc., showing some of the work which is being done by the members of the parliamentary law section. The cast included:

Mrs. Faith Strong (determined to have a club).....Miss Eva Daniels
Mrs. Frances Willard High (her daughter from New York).....Mrs. C. A. Brandstater
Mrs. Dovey Bridgwell (just married).....Miss Dorothy Morton
Mrs. Topper (milliner).....Mrs. B. O. Hotbrook
Mrs. Alva Staholme (grocer).....Mrs. Helen B. Hoopes
Miss Ann Knoeker (deaf and choleric).....Mrs. E. B. Moore
Mrs. Sheeza Tellal (gossip).....Mrs. Colin Cable
Mrs. Honoria Murphy (borrowing neighbor).....Mrs. W. H. Verity
Mrs. O. Howe Golden (would-be society).....Mrs. C. A. Perry
Mrs. Vassar Radcliffe.....Mrs. W. L. Andrews
Mrs. Charity Praywell (minister's wife).....Mrs. C. A. Redmond
Mrs. Aborn Thinker (A. B. C., E. Z. Y.).....Mrs. Harry Greenwalt
Numbers Are Enjoyed
During the course of the program, while the forming of various sections were being discussed at the organization of the "Women of Dolegion," Mrs. June Stone and Mrs. Helen Graham Cole were introduced and each gave several vocal selections. Miss Doris Packer gave a very fine reading from "The Mob" (John Galsworthy), and as an encore gave a "Soliloquy of a Two-Days' Old Baby." All of these numbers were especially appreciated, and also were the piano numbers of Miss Gertrude Champlain, who was accompanist for the vocalists.

The stage settings, to say the least, were quite unusual, being made to represent an old-fashioned parlor, with the organ, mottoes, old-fashioned pictures, with picture throws, braided rugs, lamps and furniture. The settings and furniture were loaned for the occasion by the Murphy Furniture company, and Stull & Sauer, and the lumber for enlarging the stage was donated by the Fox-Woodsum company. The costumes of the various members of the cast were very good and created a great deal of merriment. Some excellent talent along histrionic lines was displayed by the various characters. Much credit is due Miss Daniels and Mrs. Greenwalt for the splendid work in putting on the splendid program.

Mrs. Hutchinson announced that all the members of the club were eligible to attend the district convention to be held at Santa Monica on Tuesday, Wednesday and Thursday of next week. On Thursday night the program will be given by the members of the drama section of the Tuesday Afternoon Club, of which Mrs. R. E. Chase is curator, and who is also district chairman of drama.

Mrs. Hutchinson gave a brief talk on the "Own Your Home" campaign which is being put on throughout the state this week.

Concrete Building Tile Co.

Has \$15,000 Investment;
Demand for Material

One of the newest industries in Glendale is the Concrete Building Tile Company at 440 South San Fernando Road. R. E. Johnston is in charge of the office and sales department while Stephen Flam, one of the inventors of the patented steel moulds, is in charge of production. They have an investment of \$15,000 and a weekly payroll of \$300 at present, but these figures will be increased rapidly with the demand for their product. Speaking of the industry, Mr. Flam states:

"This plant is the first 'wet-mix' poured concrete system established on the Pacific Coast, but numerous other plants will be started in California during the coming year. The Flam system is just what the term 'wet-mix' poured concrete signifies. The sand, gravel and cement are mixed 'wet' to a slush consistency, and then poured from the mixer into steel moulds, each mould containing one tile, and there are forty-eight of them assembled on one truck body. The truck bodies are moved from place to place with a Barrett Lift Truck of 5000 pounds capacity. After a truck is filled at the mixer, it is then run into the curing plant, where it is left from seven to eight hours. By this time the tile have had their initial set, and are hard enough to be handled and taken out of the moulds.

"This process of making a concrete unit is considerably different from the old way of making what is commonly known as a cement block. We are making a tile that is not only the strongest building unit made, cement or clay, but the density of the unit makes a water-proof wall as well. The unit made 'wet-mix' is naturally very dense because of being made 'wet.' Being made 'wet-mix' and poured into moulds, allows the use of from 55 to 60 per cent of pea gravel, which adds to the strength of the unit and helps to make it water-proof as well. The consistency of the mix being 'wet,' full benefit is gained from the cement used, which is not the case with a 'dry-mix,' where fully 50 per cent of the cement used is wasted on account of the lack of water and not being thoroughly dissolved.

"Concrete hollow tile makes the ideal wall for stucco finish. Stucco naturally adheres to concrete, and does not have to be keyed on, as is the case with clay products and other building materials. A concrete hollow tile wall can be plastered on the inside without stripping and lathing, which is, of course, a considerable saving to the customer.

"Concrete hollow tile may be used for any and all kinds of buildings, stores, garages, residences, oil stations, cellar walls, foundations, etc. They have been approved for use within the fire district of Glendale, which is recognition of their superior qualities over many other building materials."

'Penrod,' Boy Picture Showing at T. D. & L.

The motion picture is just commencing to find its sphere of entertainment. When producers can create pictures like the ebullient "Penrod," Marshall Neilan's First National attraction that opened a run at the T. D. & L. theatre yesterday, it can be said that the screen is fulfilling its mission of one hundred per cent entertainment. For Marshall Neilan has caught the spirit of Booth Tarkington's inimitable characters of American boyhood and impressed them upon the screen for all eternity. With all its faithful delineation of youthful types it has preserved the humor of the Indiana author's stories. If you have never laughed before in your life you'll laugh at the amateur theatricals of "The Children of the Pagant of the Table Round," and you'll have a fellow feeling with Penrod, who has to wear Dad's cast off red flannel underwear as part of his costume.

When you've assimilated the pangs of puppy love that assail Penrod you'll recall some of your own juvenile frolics onto the path of romance. And there are other familiar figures; the ever present threat of an overzealous guardian of the curfew law, the French dancing master, the tyrannical school matron and the social elite of a typical American village.

Freckles Barry is rising to higher screen laurels with each picture. His delineation of Penrod is delightful.

'Thunderclap,' Thrilling Picture, at Glendale

"Thunderclap," the remarkable William Fox special scheduled for its premiere showing at the Glendale Theatre today, is aptly heralded as "a thrilling melodramatic picture with a laugh every minute and a thrill every thirty seconds."

The colorful story of "Thunderclap" also brings to one's mind the more exciting days of yesterday when gambling flourished, when the raucous call of the roulette wheel attendant mingled with the shrill laughter of the bizarre feminine and when fortunes changed hands with monotonous regularity.

Into this world of gilt and flushed cheeks there comes the girl of the convent, ignorant of the ways of the wily but strong of character and of purpose. Her experiences in this new world, the discovery of a true friend beneath the rooking atmosphere of drink and smoke—all combine for a story which charms at the very outset and fascinates until the unwelcome end.

'Hello Bill,' Musical Comedy, Wins Praise

The Cricket says: Many is the time you and I have left the light opera or musical comedy and questioned, "Why the chorus?"

Superfluous except for pulchritude, many a good show has so been spoiled for many good people who love the farce with music. And many a poor show has played to packed houses for extravaganzas other than clever music and light lines.

Herbert P. Bethew, in presenting "Our Players" at the Glendale Theatre last night in "Hello Bill" sounds a new depth in human desire. Principals alone appeared in a sixty-minute tableau of that sparkling comedy to good advantage.

In the role of the fictitious General William Malone who hid in Burbank, the principal and director, proved himself versatile while Shirley Latham, formerly of Ziegfeld Polles, Flo Flo and Lombardi Ltd., played the role of a newly acquired wife in a winsome way. Ella Bassett, as her friend, appeared to good advantage and Frank Wade was her husband's friend in the distressingly humorous situations. Charles Hendricks as the real general handled a keen sword and keener words excellently. It was a most satisfying performance.

Musical numbers which received rich applause were "Grieving for You" by Mr. Wade, "Old Pal" by Miss Bassett, "I'll Promise You" by Mr. Hendricks and "Angel Child" by Miss Latham and Mr. Wade. Paul Carson at the organ provided incomparable accompaniment. Next Tuesday night "Charley's Aunt" will be presented. Santa Ana, Venice and Riverside share in Glendale's good fortune each week by having "Our Players" in their midst.

Walnut slabs on which were beautifully and delicately carved passages from the Buddhist holy book were uncovered by workmen in the province of Chihli, China. The slabs were centuries old, and the natives were using them for kindling.

C. of C. Replies to Tournament of Roses

With dispatch and neatness the directors of the Glendale Chamber Commerce yesterday closed the breach between this city and Pasadena in the matter of awards in the Tournament of Roses on New Year's Day. The following self-explanatory letter has been mailed, on instructions of the board:

"Tournament of Roses, Pasadena, Calif.
"Dear Miss Bartow:
"This will acknowledge receipt of your letter of the 15th inst., advising that you were forwarding by express two trophies awarded to Glendale in connection with our entry in the New Year's Day parade, January 1, 1922. I wish also to advise you we have received the trophies sent.

"The Chamber of Commerce and the citizens generally wish to extend to you and your organization our sincere thanks for the special trophy, which is very beautiful and appropriate. We are exceedingly grateful to know that our extreme and untiring efforts to make the Tournament of Roses as great a success, as it was in our power to do, have received some marked recognition at your hands. We are most pleased to accept this special trophy awarded at this time.

"In our opinion the statements in our letter to you of January 6th are founded on justice and, so far as we are concerned, the matter is a closed incident.

"Sincerely yours,
"GLENDAL E CHAMBER OF COMMERCE
"JAMES M. RHOADES,
"Secretary."

HELD ON MURDER CHARGE

SAN FRANCISCO, March 22. — Harry Mason, alias Davis, arrested here as a member of a gang which is charged with scores of big coast robberies, and said to be wanted in Chicago, was identified by police as Leo Fauerman wanted in Detroit for the murder of Louis Pfaris, shot in a holdup there last January. Detroit police were notified.

Tujunga Boy Scouts To Receive Charter

A charter for the new troop of Tujunga boy scouts will be officially presented to them tomorrow night in Bolton hall, Tujunga, by Nathan Rigdon of 224 West Doran street, scout commissioner of the Verdugo Hills District Council.

This troop will be the second unit of scouts to be organized since January. It will be led by Scoutmaster B. J. Maxwell. He will be assisted by Robert Walker and Cloray Pinto, who will hold the rank of assistant scout masters. All three are from Tujunga as are also the three representative citizens upon the troop committee: Richard Smith, M. E. Hill and Leo L. Lang. The troop is sponsored by the Tujunga American legion.

Scout Executive Harold Benner will speak to the boys and their parents on "The Possibilities of Scouting." The ceremonies will commence at 7:30. Thursday will be the regular meeting night for this troop.

George Ade Play Is Presented at School

"Nettie" was the title of a one-act play by George Ade presented early this afternoon at a senior assembly in the high school auditorium.

The cast included Robert Fry, Vic Colburn, Kenneth Jackson, all of whom expected to have lunch, or maybe it was supper, with Nettie. They might have carried out their intentions had it not been for the fact that she failed to make her appearance. Those who attended are still puzzled as to her identity.

Extra comedy for the act was furnished by Paul Holland as a waiter and Benjamin Riskin as a messenger boy.

Merle Waterman, professional entertainer from Long Beach, also performed upon the piano.

Mrs. Ruby Moore, 13 years old, who has been granted a divorce at Noblesville, Ind., because her husband carried pictures of his other sweethearts, is believed to be the youngest principal who ever figured in a divorce case in Indiana.

France has six living soldiers who are unknown. Their memories are a complete blank as the results of the horrors of war. Photographs and detailed descriptions are to be given metropolitan and provincial newspapers in an attempt to locate their relatives.

Harry Pidgeon, Former Burbank Resident, Makes Trip In 30-Foot Yawl Alone

Mrs. J. L. Smith of Burbank has received news of her brother, Harry Pidgeon, who sailed from Los Angeles harbor on November 18 for Marquesas Islands. He has arrived there, having made the trip in 43 days, although his letter was 53 days in reaching here. Mr. Pidgeon is well known in Burbank, having formerly resided there, and in more recent years has been a frequent visitor at the home of his sister, and around San Pedro he is well known among the mariners for he had a house boat there for a number of months. In making this journey to the Pacific islands, Mr. Pidgeon accomplished something which was never before undertaken, because he made the trip alone in a 30-foot yawl which he made himself.

Hardy conducted a series of experiments, showing how electricity may be controlled and the wonderful effects that may be produced through its use.

Singer and Pianist To Appear at Church

Keatunoku A. Louis, concert baritone, and Charles Olerich, pianist, will present a program tomorrow night at the Pacific Avenue Methodist church.

Mr. Louis has sung at over twenty concerts in Southern California during the past few months. Before coming west he spent a number of successful concert seasons in the East. His voice is noted for its rich, beautiful quality.

Besides his vocal selection, Mr. Louis will play accompaniments to "One-Two-Three-Four" and "Aloha Oe" upon his steel guitar.

Several piano pieces will be played by Mr. Olerich. Among the vocal solos to be sung by Mr. Louis will be "I Love Thee" by Grieg; "Mother o' Mine," by Kipling-Tours; "I'll Be Home," by Verdi; "Absent," by Metcalf; "Mother Machree," by Olcott and Ball; Massenet's "Elegie" in French, and "When Spring Comes to the Islands," by H. SUNLAND PHONE CO. PROPOSES CHANGE IN ITS RATES

Charges Would Be Nearly Double But Regular Service ---Also Night Calls

A. F. Wells and S. D. Percy of the Sunland Rural Telephone company last week secured signatures of the company's subscribers to a proposed new rate schedule which they will ask the state railroad commission to approve. So soon as the new rates are effective the regular hours of service will be from 6:30 a. m. to 10:30 p. m., and all-night emergency service will be maintained not only from the valley to outside points but from outside points in as well.
